GENESEE CHRISTIAN MIDDLE SCHOOL AND HIGH SCHOOL

BURTON, MICHIGAN

TEL: 810.743.3108

TRAINING SOLDIERS FOR CHRIST

Is GCS a Private School?
 Yes, in the sense that we offer smaller class sizes, provide individual attention, and have higher test scores than surrounding schools. But GCS is more than that; it assists parents in instilling Christian values, morals, and standards in their young person.

A variety of sport programs

DO THE MIDDLE SCHOOL AND HIGH SCHOOL OFFER CLASSES BEYOND THE BASICS? GCS offers all of the basics: math, science, history, government, English and Bible, but there are many electives offered such as advanced placement (AP) classes, art, choir, basic life skill classes, foreign language, and journalism. Many leadership opportunities and extracurricular activities are offered. Please refer to the section “extracurricular” in this brochure.

WHAT CURRICULUM DOES GCS USE? God’s Word is the foundation of all instruction. ABeka, Bob Jones, and selected secular textbooks make up our curriculum. The combination of texts provides for quality instruction that prepares students for college.

DOES GCS HAVE BUS SERVICE? GCS has contracted with MTA to run two bus routes. The bus picks-up from a central location in both the southern and northern parts of Genesee County. The MTA buses that run our routes carry only GCS students. The cost per month is \$30.00.

WHAT IS THE DRESS CODE? A dress code teaches appropriate and modest dress and helps students understand what is acceptable dress for future jobs. Girls at GCS wear skirts/dresses below the knee. Boys wear collared shirts and dress pants. There are times that GCS has “dress down” days where more casual attire is allowed.

IS GCS INVOLVED IN SERVICE OR OUT-REACH? Each year the whole school works together to pay for and put together thousands of Bibles for people that need the Word of God in

their language. GCS holds community blood drives and food drives, and helps our area crisis pregnancy center. Organizations such as honor society provide for other unique opportunities to serve. Service related activities teach compassion and responsibility.

Students visiting Washington D.C.

WHAT ABOUT THE FACULTY? All academic teachers have bachelor degrees, some have master degrees. Teaching staff often remain with GCS for many years, which makes for quality and consistent teaching in the classroom.

WHO OPERATES GCS? GCS is operated by a Board consisting of pastors and laymen.. GCS is also a member of the Michigan Association of Christian Schools (MACS).

WHY SHOULD I CHOOSE GENESSEE CHRISTIAN? It is a wise educational investment for Christian families. Proverbs 22:6, “Train up a child in the way he should go; and when he is old, he will not depart from it.” GCS partners with you to fulfill this academic and spiritual training.

Does GCS serve a diverse population? GCS welcomes international students seeking an I2O. Our international program is just one more way we strive to diversify our population.

GCS reaches out to missionaries on furlough and allows their students to join us for instruction during their time in the states. Regardless of the timeframe these students are welcome.

Also, unlike most private Christian schools we have a Special Needs Coordinator that helps students with varying educational needs.
