I also pledge to give my full cooperation to the administration of the school with regard to any further regulations. A car tag must be visible on any vehicle that is driven to school. Vehicles must be registered to be parked in the student lot. Any unregistered vehicle that I may drive to school must be reported to Mrs. Kirkman before going to class. First violation will be a $5 fine, 2nd violation is a $10 fine, and a 3rd violation will be subject to loss of driving privilege. I understand that failure to obey these rules and good driving sense will result in the temporary or permanent loss of my driving privileges.
