

To Whom It May Concern:

Genesee Christian School in Burton, Michigan has been an educational institution since 1974 teaching students pre-kindergarten through high school. We strive to teach academic excellence while emphasizing integrity, values and community support through local blood drives, collecting food for our local homeless shelters and participating in local community projects.

Genesee Christian School is funded primarily through tuition and donations. Annually, we hold our benefit auction, which is a fund raiser that helps our families keep tuition at an affordable rate. We are hoping that your business will consider donating to our benefit auction. This year's theme is "Evening in the Tropics", and will be held on March 17, 2012. We are anticipating over 350 attendees to participate.

We would appreciate a donation from your business. In return, your business will receive recognition in our benefit auction catalog along with local advertising support. Your donation will help our school continue to serve our community.

We are a non-profit 501(c)(3) organization and all donations are tax deductible. Our Social Security Number or FEIN is: 38-2039520.

Thank you for your time and consideration. If I can answer any questions please feel free to contact me. Please visit our website at www.geneseechristianschool.com
