Paving The Way- “Buy a Brick” & Kroger Rewards

Several weeks ago you received a letter regarding our upgrade to the high school driveway. This improvement is costly but **so very needed**. Please consider giving to this project as part of your year-end giving. Forms are in the office to purchase bricks or you may just give towards this project. We have received \$974.87 from Kroger and this money is designated for our driveway project.

Please see the following list of those participating in the Kroger Rewards program.
