1223 S. Belsay Road, Burton, MI 48509

**TUITION REDUCTION INCENTIVE
2009-2010**

1. Current GCS families will be granted a tuition credit for each new family they recruit to enroll in our K4-12 program. This is only for first time enrollments in our educational ministry. If students do not remain enrolled for one year, the incentive will be prorated according to the number of days enrolled. For families with more than one student, the highest credit will be given.

Schedule:	K-4 Program	\$125 tuition credit
	K-5 Program	\$175 tuition credit
	Grades 1-5	\$250 tuition credit
	Grades 6-12	\$300 tuition credit

2. A New Family coupon is found at the bottom of this sheet. This coupon must be completed by the new family and attached to their registration papers at the time of registration. This coupon entitles the new family to receive a 50% discount on all registration fees for their first year of enrollment. The tuition registration credit will be issued after the new family has completed one marking period.
3. GCS serves families that are part of the Body of Christ and committed to the local church. New students and families are asked to demonstrate this commitment, as well as 6-12 grade students giving a clear testimony of their salvation.
