

Washington D.C 2010

Thank you for your interest in participating in the Washington Trip in 2010. The interest has been great. With that being said, I have had to form a waiting list. The bus and waiting lists were based upon the day that I received both a down payment and registration form(s). We do need a have minimum of 70 people in order to have two buses. **The absolute latest someone can sign up is September 18, 2009.** If we do not reach 70 people by September 18, then some decisions will have to be made. I will make those decisions when & if that time comes. So what does this mean if you are on the waiting list? At this time, it means nothing. Please encourage anyone who has expressed an interest in going to sign up. If you have any questions, please feel free to send me an email and I'll do my best to answer them to the best of my ability.
