Decisions

What to consider!

Talk to a former graduate about his/ her portrait experience.

- Where was it taken?
- How many changes of clothing were allowed?
- Was the studio easy to work with?
- Was the photo session fun?
- How expensive was the setting?
- How long did it take get the proofs?
- Did their portrait arrive by the deadline?

Select a reputable studio to have your portrait taken.

Plan your attire:

- What color do you look best wearing?
- Discuss options with your parents.
- Go shopping! Sorry parents!
- Always remember school dress requirements
