Dear Business Owner,

Our annual GCS Benefit Auction will be held on March 20, 2021 at the Genesys Banquet and Conference Center. Last year we were unable to hold our in person event due to the health crisis our country is in. Transitioning to an online auction, we were still able to raise \$85,000 thanks to the generosity of our bidders and people like you who donated items to our auction.

This year, we are praying for an in-person event and hoping to raise \$150,000 for much needed capital improvement projects at our school. For our annual auction, we rely heavily on the support of our community through donated items to help us keep our costs low. It is a blessing to be a part of a community who focuses on togetherness and supporting their neighbors.

Would you consider donating an item or certificate to our auction? Your donated certificate or item will be used in our live or silent auction. In return, your business will receive recognition on a display at the event and in our auction catalog that will be distributed to our 350 guests, as well as on our website. Moreover, your business/company will be listed as a "preferred business" in our GCS friends and families' business directory. We understand that this has been a difficult year for many local businesses and we would like to support you as well.

Genesee Christian School is a 501c(3) non-profit organization and all donations are tax deductible.

Thank you in advance for considering our cause. We are praying for you. We thank the Lord for you.

Many Blessings,

GCS Auction Committee
