

Genesee Christian School
New Family Tuition Credit Incentive Program
2019 - 2020

Mission: Genesee Christian School strives to develop spiritual, academic and extracurricular excellence, supporting families and local churches by training students in a biblical, Christ-centered environment.

We encourage current GCS families to promote the benefits of a Christian education at GCS. Please present this coupon to any new family you recruit to enroll at Genesee Christian School.

1. A New Family Coupon is found at the bottom of this sheet. **This coupon must be completed by the new family and attached to their registration paperwork at the time of registration.** *This coupon entitles the new family to receive a 15% discount on tuition for their first year (two semesters) of enrollment.* The tuition credit will be applied as 15% off each tuition payment for the first full year at GCS.
2. **Current GCS families will be granted a tuition credit for each new family they recruit that enrolls in our K4-12 program.** (Current GCS families please write your name below.) This is only for first-time enrollments in our educational ministry. If students do not remain enrolled for one year, the incentive will be prorated according to the number of days enrolled (a minimum of one marking period required.) For recruited families with more than one student, the tuition credit will be given based upon the grade of the oldest child. The credit will be applied at the end of each completed semester.

Schedule:	K4 Program	\$150 tuition credit
	K5 Program	\$200 tuition credit
	Grades 1-5	\$300 tuition credit
	Grades 6-12	\$350 tuition credit
