

Family Service Program: Revised 2/10/2020

Program Mission:

The Family Service Program is designed to bring families of the school together to improve and enhance our students' education. Through the efforts of our families we will be able to provide a better support system for our students as well as providing needed services that will help offset tuition.

Specifics:

Each family with a 1st through 12th grade student will have the opportunity to earn a tuition discount by volunteering for various qualifying activities. Each family can earn \$10 per unit of service up to \$200 for families with 1-2 enrolled students, plus \$100 per child for families with 3 or more students.

There are many areas of service from which to choose, some of which your family may already be involved! Your family's service units will be posted on a monthly basis in your RenWeb Family Portal. This will allow you to easily track your accumulated units of service for the current school year. Discounts earned will be applied to your family account annually.

Qualifying Activities:

MACS Supervision	Music Boosters	Concessions
Homecoming Workers	Bake Sale Volunteer	Volunteer Coaching
Grandparents Day Volunteer	Pastor's Luncheon Volunteer	Maintenance/Grounds Volunteer
Auction Event Volunteer	Class Party Coordinator (Elem.)	Miscellaneous Projects (TBD)
Auction Committee	Elementary Kitchen	Play/Drama (costumes, meals, etc.)
Athletic Boosters	Service Day Volunteer	Athletics (gate, book, etc.)
Fun Run Volunteer	Bible Project	Elementary Field Day Volunteer
Fitness Room Supervision	Robotics	SSI Program Volunteer

Many more opportunities will be posted in the Courier as needs arise.

Questions:

Questions regarding your family's service hours should be directed to Kim Lange in the Administration Office.
