

SOLDIER RATIIONS

Volume 1, Issue 3

June/July 2018

Spring Sports

Athletics ended on a high note. We had a great spring sports season. The varsity girls soccer team made it farther than we ever have by reaching the regional championship game. The girls played hard and even sustained a few bruised ribs. You can be certain coach Anderson was proud of the effort. Congrats to the girls.

New Boiler

The old is gone and the new is coming. It's a bit weird to think about heating when it is 90 degrees outside. But we are looking forward to getting the new system and excited about how the finances are coming along so far. We have had some nice donations along with the opportunity to save some money along the way. We already have 50K of the 120K come in. We are looking forward to seeing how the Lord will provide the rest. If you would like to help with this need, let it be known that GCS does not make a habit of turning down money. :)

(still a little ways to go on the boiler)

Faculty Highlight

Cathy Rider has been serving at GCS for over 20 years. She is moving on to be a full time Grandma and will be greatly missed. Cathy has been amazing to work with. I appreciate her and wish her the best. She is leaving athletics in good shape and is even helping to train her replacement. You might ask who would be crazy

enough to work with Rainear? Well, that is a surprise. Thank you Cathy. You can be sure the GCS family will continue to pray for Sofia.

Mackinac Trip

The 7th graders had a terrific time on the 2018 Mackinaw Trip. Our adventures began on Saturday in Sault Saint Marie aboard the Soo Locks tour boat Hiawatha. On board we met our new friend "Hiawatha" who continued the weekend journey with us. (You will notice him in the pictures taken with the students.) We also toured the Museum Ship Valley Camp and visited the Soo Locks Visitor Center on Saturday ending with pizza and downtime in Mackinaw City. On Sunday we spent a beautiful day on Mackinac Island enjoying a carriage ride tour, visit to the butterfly house, Mackinac Fort, lunch at the Grand Hotel and free time in the afternoon biking, shopping, eating and relaxing. Monday we enjoyed a visit to Fort Michilimackinac and the Old Mackinac Lighthouse as well at the Icebreaker Mackinaw. We wrapped up the trip with a picnic lunch at Historic Mill Creek where the students enjoyed the zipline, rock climbing
